What are submerged cultural resources?
DEC 18 1997

How do these resources relate to "what we do?"

Looks like fun … must be fluff !

National Environmental

Policy Act

National Historic Preservation Act

Abandoned Shipwreck Act

other laws and regs. ex. ER 1105-2-100

dredged and snagged here ---

can’t be anything left!

In reality, many submerged deposits are “near misses” that become impacted by variance in existing navigation projects.

Why go looking for trouble?

Training and Technical Help

-<u>USACE cultural resources staff</u>

-State SHPOs/archeologists with submerged cultural resources expertise (esp. FL, MA, MD, MI, NC, SC, TX, WI)

-Advisory Council on Historic Preservation
